

## Great Service, Great Drivers, Exciting New Look- Automated Side Load (ASL) trucks have arrived in Harris County MUD 280!

Waste Management of Texas is proud to announce new, **automated recycling collection** services for Harris County MUD 280 beginning March 4, 2019! **Please follow the cart placement instructions below.**

Have recycle cart at the curb by 7:00 AM on your service day.

**PLACE ALL RECYCLING INSIDE THE GREEN CART WITH THE YELLOW LID.** Recyclables should be loose in the cart and not bagged. **Trucks will not service additional recyclables outside the cart.**

Do not overfill the recycling cart. The lid must be securely closed.

Place recycling cart 5 feet from any obstructions, such as vehicles, mailboxes, meter boxes, cable boxes, or trees – and within 1 foot of the curb. Do not place the cart on an incline or slanted area.

Do not obstruct the collection of the cart by parking vehicles in the vicinity. Keep area clear for easy access by collection truck. Space regular waste, bulk items and the recycle cart 2 - 3 feet apart.

Recycling collection is weekly, on Monday.

Regular waste collection is weekly, on Monday.

Bulk collection is weekly, on Monday.
