**Northampton MUD  
SERVICE AGREEMENT**

**I. PURPOSE:** The Northampton MUD (hereinafter referred to as the "District") is responsible for protecting the drinking water supply from contamination or pollution, which could result from improper plumbing practices. The purpose of this Service Agreement is to notify each customer of the plumbing restrictions, which are in place to provide this protection. The District enforces these restrictions to ensure the public health and welfare. Each customer must sign this agreement before the District will begin service.

**II. PLUMBING RESTRICTIONS.** The following unacceptable plumbing practices are prohibited by State Regulations.

- A. NO direct connection between the public drinking water supply and a potential source of contamination is permitted. Potential sources of contamination shall be isolated from the public water system by an air-gap or an appropriate backflow prevention device.
- B. NO cross-connection between the public drinking water supply and a private water system is permitted. These potential threats to the public drinking water supply shall be eliminated at the service connection by the installation of an air-gap or a reduced pressure-zone backflow prevention device.
- C. NO connection which allows water to be returned to the public drinking water supply is permitted.
- D. NO pipe or pipe fitting which contains more than 0.25% lead may be used for the installation or repair of plumbing at any connection which provides water for human use
- E. NO solder or flux which contains more that 0.2% lead can be used for the installation or repair of plumbing at any connection which provides water for the human use.

**III. SERVICE AGREEMENT.** The following are the terms to the Service Agreement between Northampton Municipal Utility District (the District) and \_\_\_\_\_ ( the "Customer"):

- A. The District will maintain a copy of this agreement as long as the Customer and/or the premises is connected to the District's water system.
- B. The Customer shall allow his property to be inspected for possible cross-connections and other unacceptable plumbing practices. These inspections may be conducted by the Districts or it's designated agents prior to initiating new water services; when there is a reason to believe that cross-connections or other unacceptable plumbing practices exist; or after any major changes to the private plumbing facilities. The inspections shall be conducted during the District's normal business hours.
- C. The Districts shall notify the Customer in writing of any cross-connection or other unacceptable plumbing practice which has been identified during any inspection.
- D. The Customer shall immediately correct any unacceptable plumbing practice on his premises.
- E. The District shall, at the owner's expense, properly install, test, and maintain any backflow prevention device required by the District. Copies of all testing and maintenance records shall be provided to the owner.

**IV. ENFORCEMENT.** If the Customer fails to comply with the term of this Service Agreement, the District shall terminate service. Any expense associated with the enforcement of this Service Agreement shall be billed to the Customer.
