It is our privilege to serve and work to provide you with exceptional service. As part of our continued efforts we have updated the “pay your bill online” portal with enhanced features you will find listed below. This new portal will be live on November 30, 2018.

Water District Management has partnered with First Billing Services to provide Credit/Debit and E-check payment options to HC MUD No. 405 customers. One of the most beneficial changes will be the easy-to-use FirstChoice™ Self-Service Portal to manage paperless settings; view current or past billing statements; access payment history; and schedule current, future, and recurring payments.

IMPORTANT INFORMATION: You will need to create a new online account on the new portal link using your water account information.

AUTO DRAFT CUSTOMERS: If you are currently set up on any form of automatic draft please re-register online or contact First Billing to switch your information over. *The deadline will be January 3, 2019.
