

**Post Wood M.U.D.
P.O. Box 897
Spring, Texas 77383**

Dear Resident,

It is our privilege to serve and work to provide you with exceptional service. As part of our continued efforts we have updated the “pay your bill online” portal with enhanced features you will find listed below. This new portal will be live on August 24, 2018.

Water District Management has partnered with First Billing Services to provide Credit/Debit and E-check payment options to Post Wood M.U.D. customers. One of the most beneficial changes will be the easy-to-use FirstChoice™ Self-Service Portal to manage paperless settings; view current or past billing statements; access payment history; and schedule current, future, and recurring payments.

IMPORTANT INFORMATION: Effective August 23, 2018 you will need to create a new account on the new portal link using your water account information.

If you are currently set up on any form of automatic draft please contact First Billing to switch your information over. The deadline will be September 18, 2018.

Five (5) new options to make payments to your water bill including A FREE payment option using your checking account and routing number.

Payments made using Visa, MasterCard, or Discover will be assessed a lower 3.9% convenience fee.
