

Proper cart placement for automated collection

Remember to place your carts at least 3 feet apart and 3 feet away from any obstacles (trees, cars, mailboxes, etc.) to allow the automatic arm to lift and empty the carts.

Place wheels of cart toward house.

All trash must be bagged and fit inside the WM 96-gallon carts with the lids firmly closed. Loose trash or bags outside the cart will not be picked up.

Have your carts at the curb the night before or **no later than 7 a.m.** on your collection day.
